

BONJOUR ALL SAINTS - IT'S CARNIVAL TIME!!!
CARNAVAL D'HIVER 2024

Dear Parents/Guardians,

Carnaval at All Saints will be taking place on **February 5-7, 2024**.

Students will be involved in various activities, such as Carnival bingo, special theme days and Carnival games for the Grade 1 - 3 classes. In addition, students will learn about the Quebec Winter Carnival during their French classes. As always, Bonhomme Carnaval will be part of the festivities and students will have the opportunity to guess who our guest Bonhomme Carnaval will be this year.

This year, we are honored to host the remarkable artist, Njacko Backo, who is not only a gifted musician and dancer but also a dedicated educator. His captivating presentation, "Voyage Africain," transports our school community to the heart of central Africa through vibrant traditional dance, rhythmic drumming, and engaging storytelling. Through his interactive performance, Njacko emphasizes the significance of unity, mutual respect, and the joy of collaborative play. As we celebrate Black Heritage Month, Njacko Backo's impactful message will resonate with everyone as he encourages us to reflect on the importance of community, cultural understanding, and the shared experiences that bind us together.

Listed below are the daily activities that will take place.
