LIGHT IT UP!

Congratulations to all of our Raffle & Grand Prize Winners throughout the campaign. We would like to take a moment to express our gratitude to the community partners, AST Catholic School Council, and members of our AST community who have helped contribute to this fundraiser event. Your generous donations, and 'boots on the ground' helped create a great deal of excitement as we awarded over 50 draw prizes, and 11 grand prizes, over the past 10 days. Simply stated, none of this would have been possible without your support.

The Chromebook Crunch definitely challenged our learning community; and, in true AST fashion, everyone came together to help us meet our goal.

RAFFLE WINNERS

Congratulations to all of our Raffle Winners throughout the campaign. We would like to take a moment to express our gratitude to the community partners, AST Catholic School Council, and members of our AST community who have helped contribute to this fundraiser event. Your generous donations, and 'boots on the ground' approach helped create a great deal of excitement as we awarded over 50 draw prizes, and 11 grand prizes, over the past 10 days. As you are aware, the 'Chromebook Crunch' served as a real barrier to the type of 21st Century Learning environment we have always strived to create. And, as always, in true AST fashion, we came together as a community to wholeheartedly alleviate this barrier to growth. Simply stated, none of this would have been possible without your support. Thank you. Thank you. Thank you. "We are truly All Stars, and we shine. Light It Up!"
