## PRAYER FOR NEW SCHOOL YEAR

Dear Heavenly Father, As we embark on this new school year, we come before you with hearts full of hope and gratitude. Bless our students with wisdom, understanding, and a hunger for knowledge that knows no bounds. Guide our teachers with patience, compassion, and the ability to inspire young minds. Bless our parents with wisdom, patience, and unwavering support for their children's learning journeys. May this year be filled with growth, joy, and a sense of purpose, as we work together to create a nurturing and enriching environment for all. Amen.

## PRINCIPAL'S MESSAGE

Together with the staff, it is with great pleasure and excitement that I welcome you to the 2024 - 2025 school year! We hope everyone had a safe, restful, rejuvenating, and enjoyable summer. Our school has always been a place of growth and community, and I am thrilled to see our hallways filled with the energy of our students, parents, and staff once again. As we begin this new academic year, let's continue fostering an environment where curiosity, kindness, and collaboration help every child thrive. Together, we'll make this year one of discovery, friendship, and achievement.

We deeply appreciate the hard work of our teachers, secretaries, support staff, and custodians, who have been preparing our school for a safe return. We look forward to a year of learning experiences that will promote our students' spiritual, academic, and social growth.

This school year will be full of motivating learning experiences, new friendships, and challenges. We encourage you to stay involved in your child's education and feel comfortable contacting the school to share ideas or concerns as we strive to create a safe, caring, and inclusive learning environment, rooted in the teachings of Jesus.

We look forward to serving the All Saints community in educating our students. Thank you for supporting our school as we continue to build on the strong Catholic Learning Partnership within our community. Together, we can make a difference!

Yours in Catholic Education,

Mr. F. Nardo

## SCHOOL AGENDAS

All students from grades 1-8 must purchase a student agenda. The price for each student is \$10.00. Payment can be made through the School-Day platform (more details to follow). The planners are not just organizers, they contain important and useful information. Furthermore, they are an excellent means of communication between home and school.

## RECESS

It is our expectation that all students go out for recess at scheduled times. Fresh air and exercise are important for all children; however, each year we get requests for students to remain inside due to special circumstances. All such requests should be accompanied by a note from your doctor explaining the circumstances. Please be informed that there are no teachers on supervision duty inside the school during regular outdoor recess. Furthermore, students need to remember 3 important rules to keep outdoor recess breaks enjoyable and safe:

- **NO CONTACT RULE:** Children are not to play any games or engage in any activities that involve physical contact.
- **NO THROWING RULE:** Please remind your children of the dangers of throwing rocks and other objects.
- **AVOID WET/ICY AREAS:** Please remind your children to stay away from the puddles and wet/icy areas. This is for their health and safety.

We thank you for your attention and continued support in this matter.

## ATTENDANCE MATTERS

We would like to stress the importance of school punctuality and regular attendance. Regular attendance is vitally important and can lead to improved classroom learning, better test results, important relationships and friendships, good reference for future education and healthy habits. Regular attendance is directly linked to success at school. Poor attendance patterns increase risk of failure and dropping out of school. Early intervention by home and school increases the likelihood of a student remaining in school.

The following points are proven factors in ensuring that a child will be successful in maintaining regular and punctual attendance:

- Have regular morning routines (wake up on time, eat breakfast, leave home to get to school on time)
- Following consistent night time routines (homework time, prep for next day, bedtime).
- Set alarm clock the night before.
- Get enough sleep and eat properly.

If you have any concern in regards to your child's attendance and punctuality, please contact Mr. Nardo. Remember your child is considered late to school if they are not in line with their class at 8:55 a.m.

## DRIVEWAY SAFETY

As the new school year begins, it is important to remind ourselves to take extra care in and around our school sites during drop off and pick-up times to ensure the safety of our students, staff and parents. Your utmost attention and cooperation in this area is very much appreciated.

Please remember that the driveway is strictly reserved for busses and emergency vehicles. The bus lane is closed to all traffic except school buses. Children can be dropped off and picked up using the Kiss & Ride Drop Off Loop located on the west side of the school.

AT NO TIME SHOULD CARS BE PARKED OR STOPPED IN THE STUDENT DROP OFF AREA OF THE LOOP.

We thank you for your continued support

## BUS ZONE

To ensure student safety, as mentioned above, we continue to ask our parents to refrain from parking in the parking lot. This area serves as the Bus Loop. With multiple buses, we ask for your assistance in limiting the amount of traffic in this central hub. Please use the Kiss & Ride area or consider parking on a neighbouring side street.

## SUPERVISION AT SCHOOL

It is important that students are supervised while on school property. Supervision begins at 8:40 a.m. Please ensure that your child does not enter the playground prior to the 8:40 a.m. supervision. After school, there is teacher supervision during the pick up process. Students who are not picked up on time will wait in the office for pick up.

## KISS & RIDE

The Kiss & Ride Area is meant to support our students in safely arriving to school or departing from school. Parents wishing to use the Kiss & Ride are asked to follow these directions:

- ◆ Stay in your vehicle at all times. If you wish to accompany your child to/from their yard area, please park along a neighbouring street (or walk with your child to school). 1 person parking or walking their child can create an enormous back log. Staff will ask you to kindly return to your vehicle.
- ◆ Pull up to the TOP of the Kiss & Ride Loop or next available spot so that we can limit congestion. Please do not drop your child{ren} off at any other point in the loop.
- ◆ Have your child{ren} prepared to exit /enter the vehicle through the passenger side of the vehicle. Please ensure they have all of their belongings are with them and ready to go.

## CURRICULUM NIGHT OPEN HOUSE

We hope you will join us for our Curriculum Night Open House on Wednesday, September 20th from 6:30 p.m. to 7:30 p.m. It will be an opportunity not only to meet your child's teacher in their classrooms, but to hear about your child's program and expectations for the year. We look forward to seeing you.

# COUNCIL CORNER

The Annual General Meeting for the Catholic School Council is set for Wednesday, September 18th at 7:30 p.m. At this time, we are anticipating an election process, similar to last school year. Please pencil in the date and watch your emails for links & updates. All are invited and encouraged to consider getting involved in the 2024-25 All Saints CSC. # ANAPHYLAXIS: LIFE-THREATENING ALLERGIES

It's the beginning of a new school year and time to review and continue to work together in making our school a safer environment for our students with life-threatening food and insect bite allergies. Here at All Saints CES we work in collaboration with the YCDSB, school, home and community in teaching our children and staff all about anaphylaxis and keeping our allergic children safe. We are a nut safe environment. Please review with your child(ren) our Board's Policy 209, "Protection of Anaphylactic Students," which is located in the front pages of your child's agenda as well as on the Board's website, [www.ycdsb.ca](http://www.ycdsb.ca), under Policies.

There may also be a student in your child's class who is allergic to a specific food other than peanuts/nuts. If this is the case, a letter outlining these specific foods will be sent home with your child. Our school has been proactive in the following ways: We have an *Allergy Safe School Plan* which is reviewed annually. As well, all staff are trained regarding administration of the Epi-Pen and recognizing reactions/symptoms.

## REMINDERS...

- Nuts and nut bi-products are to be strictly avoided throughout the school. Some classes will have additional food items which also must not be brought into that specific classroom
- Sharing of food and drinks is strictly prohibited
- All snacks/lunches must be eaten indoors; food is not permitted outdoors or at recess
- Birthday treat-bags must contain non-edible items only (no food of any kind). Donating a game to your child's classroom is a great alternative to individual treat bags. Students can use these games during indoor recesses, once the cold weather approaches. Talk to your child's teacher to find out which games would be appropriate.

PLEASE NOTE: In order to ensure your child's safety, we would ask for your co-operation and assistance in ensuring that ALL ANAPHYLACTIC STUDENTS wear a fanny pack with their EpiPen in it at all times. Please ensure that your child is familiar with the use of the EpiPen auto injector. As well, we ask that you provide an EpiPen for the office in the event of an emergency. If your child has any life threatening allergies, it is strongly recommended that he or she wear a MEDIC ALERT BRACELET at all times. Thank you for your assistance and co-operation in this very important matter. Applicable forms were sent home in June to be completed over the summer by both the parents.

## PROTECTION OF STUDENTS WITH ASTHMA

In accordance with the Act to Protect Pupils with Asthma (Ryan's Law : Ensuring Asthma Friendly Schools, 2015) the Board approved a new policy # 206: Protection of Students with Asthma at its June 21st Board Meeting. The York Catholic District School Board recognizes that there are some students within the school system who have a diagnosis of asthma which could be life threatening. The York Catholic District School Board also recognizes that asthma management is a shared responsibility among students, parents, caregivers and the entire school community.

It is the responsibility of parent(s)/guardian(s) to advise the school immediately upon registration and/or when in receipt of a diagnosis of asthma. It is also the responsibility of parent(s)/guardian(s) to ensure that all medical information pertinent to their child's diagnosis of asthma is always current.

If your child has a diagnosis of asthma please contact the school office immediately so that the appropriate forms are completed and school records are up to date in accordance with Policy 206.

# FAITH FIRST

We are blessed to enjoy the privilege of a Catholic education system in Ontario. At All Saints, we incorporate gospel values into the curriculum and teach religion classes every day. We have a strong parish partnership with our Pastors, Fr. Dominic and Fr. Janil at St. Patrick's Parish. Information regarding school masses and liturgies will be posted on our AST School Website Calendar. Our Beginning of School Liturgy will be held on Monday, September 23rd, at 10:45 a.m. in the gymnasium. All are invited to attend.

We look forward to celebrating the Virtues on a monthly basis and recognizing students throughout the school year with a certificate and group photo. The Virtue for September is, quite fittingly, Courage.

## 2024 AST BOOK FAIR

Get Ready! The Annual AST Scholastic Book Fair is coming our way (YAY!) during the week of September 16th. Choosing their own books empowers kids and inspires them to become Bolder, Prouder, and Stronger Readers. AND—as always—every book they buy earns Rewards for our school. Stay tuned for more information in the days to come.

## TERRY FOX CAMPAIGN

As per our Civvies Day tradition, each month, students are asked to make a loonie or toonie donation to a charitable cause. This month's initiative will be to support the Terry Fox Foundation, a foundation our community has now generously supported for 2 decades.

To Donate, simply follow the steps outlined below.

- Visit <https://schools.terryfox.ca/77009>
- Click on Donate
- List Family name in comment section

Alternatively, students can bring in donations on the day of the run.

We look forward to continuing Terry's Legacy on Tuesday, September 20th. Thank you again for all of your support. Our Civvies Day will be taking place Thursday, September 26th.

## AST LAND ACKNOWLEDGEMENT

This past school year, a number of All Saints staff and students, partnered with the YCDSB and our Indigenous Community partners to develop our very own school Land Acknowledgement. This journey helped foster a deeper understanding of the significance of Indigenous history as well as renew the collective commitment we have to honour Indigenous lands.

A graphic for Land Acknowledgment. It features a globe in the center, held by two hands. The text is centered over the globe.

**Land Acknowledgment**  
**All Saints Catholic Elementary School**

**We gather as the All Saints community to honour and give thanks to First People who have cared for and continue to care for this Land on which we learn, play, and pray.**

**Anishinabe, Haudenosaunee, and Wendat have shared an understanding of the environment and how to live with all Relations. We look to First People for guidance as we strive to learn and continue to care for these Lands.**

## FREEDOM OF INFORMATION NOTIFICATION

During the 2024/25 school year, your child(ren) will be involved in a variety of school related activities and events consistent with the purpose of educating students in accordance with the Education Act. Upon registering your child with the York Catholic District School Board you completed a Freedom of Information Consent. Personal information is collected pursuant to the Education Act and the Municipal Freedom of Information and Protection Privacy Act. We bring to your attention the following areas that you and/or your child's personal information may be disclosed without notification to you, such as:

- Catholic School Council Activities and Catholic School Council communications.
- Class lists, emergency phone networks, Parish, Catholic Community Services, etc.
- The release of photographs, artwork, writing or other schoolwork to the media (print/ Electronic) and/or school/Board website.
- The use of names, photographs, etc., used for display in the school, newsletters, and yearbooks.

If you have any objections to the use and disclosure of your child's personal information, please indicate your wishes on the Freedom of Information Annual Parental Consent (FOI A.21) form sent home by your child's teacher. Questions about the collection and the use of this personal information should be directed to the Freedom of Information Administrator, York Catholic School Board, 320 Bloomington Rd. W., Aurora, Ontario L3G 3G8 or (905) 713-2711.

## SAFETY AWARENESS WEEK

The York Catholic District School Board has a primary responsibility and goal to ensure a safe learning environment for all of our students and staff in our school community. As part of our safety initiative, All Saints CES, along with all other schools in the York Catholic District School Board, will be practicing a variety of safety procedures with students and staff.

All Saints CES is happy to be hosting Safety Week during the week of September 23rd. Please stay tuned for more information regarding "Safety Awareness Week", in the weeks to come. During this week, we will be rehearsing a variety of emergency school procedures to acquaint students & staff with the precautionary steps to take in the event of such things as a warning of severe weather, an intruder or a bomb threat. In addition, throughout the year we will hold practice drills to acquaint students with various emergency protocols. Teachers will review these procedures with students in class prior to our practice drills. If you have any further questions, please feel free to contact the school. Thank you for your support.

## PEDICULOSIS (HEAD LICE)

"The York Catholic District School Board recognizes and appreciates concerns related to pediculosis at the school, community, and regional level. The Board also recognizes that the Ministry of Health does not designate pediculosis as a communicable disease, and as such, it is not considered a health hazard to the community." (Policy 210)

Anyone can get head lice, regardless of cleanliness. Head lice are not a public hazard, as they do not cause illness, but they are a nuisance. To prevent this from becoming a problem at All Saints CES we all need to work together. Please check your child's head weekly for lice or nits. If you do find lice or nits, contact the office so that we can notify other parents in the class to keep a special watch for any signs of head lice.

Readmission to school is contingent upon lice no longer being present and all the (nits) eggs have been removed. For more information or advice on the identification, treatment and prevention of head lice, please contact the Public Health Nurses at Health Connection, 1-800-361-5653.

### VISITORS

Visitors are usually welcomed in our school by buzzing in through the front doors of the school and reporting directly to the office. Parents will sign in at the office and be given a visitor badge to wear, which assures the children that you are a "safe" visitor.

By reporting your child absent or late in advance/before the bell time, you will not receive these notifications.

Should you have any questions in regards to the Safe Arrival Program, please do not hesitate to contact your child's school office. Thank you for your attention to this important information about the reporting of your child's attendance for the upcoming school year.

## TIMELY COMMUNICATION

As we begin a new school year, we would like to remind families to report any student absences, especially during the first week of school. We recognize some families may be on extended vacations, transfer schools or move out of Board and ask that you contact the school to inform office staff as soon as possible.

As per Board Policy 228A, if your child's absence is still not verified even after exhausting different steps to connect with the family, York Regional Police will be contacted and may be dispatched to your residence.

We remind families to update the school with all emergency contact information when changes are made. Thank you for your cooperation in reporting student absences.

## CELL PHONE USE – PPM 128

In alignment with the recently introduced Ministry of Education policy memorandum, the Provincial Code of Conduct has been updated to address the use of cellphones and other personal mobile devices as outlined in PPM 128. These revisions are designed to restrict the use of all personal mobile devices during instructional time in both elementary and secondary classrooms in order to prevent distractions and maximize learning time.

Please be advised that we have an appropriate cell phone use policy at (insert name of school). If your children bring their phone to school, they are not to be used during the instructional day (insert school hours). If you choose to send your child with their phones with them to school, the following rules will apply:

- Cell phones are to be off and invisible. They are not to be taken out or left to ring/vibrate in pockets or in desks.
- If a staff member sees a cell phone out or being used anytime during the school day, the educator will instruct the student to put the device away.
- If the educator sees the student using the device a second time, they will be sent to the office, the Principal will document the incident and give the student a warning and store the cell phone for the remainder of the day for the student to retrieve.
- If this continues, the device will be stored in the office, the parent/guardian will be contacted by the Principal, and the device will remain in the office for the remainder of the day. The device will only be returned to the parent or guardian.
- If this continues to happen, the device will have to be picked up by the parent or guardian each subsequent time and progressive discipline will be applied.

Personal mobile devices can be used during instructional time under the following circumstances:

1. For educational purposes as directed by the educator in the classroom;
2. For health and medical purposes (students with medical conditions are not required to obtain a physician's note to be eligible for this exception; a note from a parent or guardian is sufficient.);
3. To support special educational needs.

If you need to speak to your child during the school day, kindly contact the main office (insert school phone number). Parents/Guardians are encouraged to discuss these expectations with their children at home and to support school staff in upholding this policy.
